

Need some help to write about your artwork?

Below are some questions that might help you to put together some words. You can write up a paragraph or provide bullet points.

And feel free to ask us if you would like some help.

The following points might give you some ideas of what to write about:

- Why do you like creating art/craft works?
- What inspired you to create this piece?
- Does it remind you of a special time/place in your life?
- Is there a story that you'd like to tell about your artwork or the subject of your work?
- What do you like about the medium/technique you have used?
- How long did it take to create this piece?
- Is there something interesting that you would like to share about how this piece was created?
- Is it a new skill you have learned, or something that you have been doing for a long time?
- What are you hoping to achieve by displaying your work (i.e. sharing your work, overcoming a personal shyness, making people happy, relating to others etc)?
